# U.S. ARMY™ BLUETOOTH THROAT MIC HEADSET

For PlayStation® 3 & PC

## U.S. Army™ Bluetooth® Throat Mic Headset For PlayStation®3 & PC

The U.S. Army™ Bluetooth® Throat Mic Headset designed by CTA Digital for PlayStation®3 or PC lets you communicate with precision and ease. What makes this headset unique is its throat microphone, which is sensitive enough to pick up a whisper yet clear enough for everyone to hear you in the game environment. The U.S. Army™ Headset also features Bluetooth® technology, letting you connect wirelessly with your PS3™, PC, Mac or other Bluetooth® enabled device. Volume and mute controls are built into the throat mic, so you can talk without other gamers hearing you. This is perfect for covert tactical operations in first person shooting games such as Call of Duty®: Modern Warfare® 3 or Battlefield 3™. The in-ear speaker allows you to hear other players clearly and distinctly, while you can also hear gameplay coming from the TV. The comfort and accuracy of the U.S. Army™ Headset makes it a must have for all tactical war game vets and first person shooter enthusiasts. Equip yourself with pride using the U.S. Army™ Bluetooth® Throat Mic Headset for PlayStation®3 & PC.
